ABOUT

Communication designer working across visual research, branding, graphic and digital design. I develop visual concepts and systems — from research and idea to production across different media. I work with brands and with fashion, cultural and educational projects: visual systems, graphics, presentations, digital content. I use AI workflows for research, ideation and visual development. I also coordinate creative processes, shoots and external contractors.

EXPERIENCE

QAYAQ
CREATIVE DIRECTOR, MANAGER
2025–2026

Built the brand from scratch: concept, strategy, identity and communication.
Visual style of the brand, including a custom typeface.
Coordinated product manufacturing and the photo shoot.
Directed and supervised the visual side of the shoots.
Negotiated and coordinated a collaboration with OYU studio, from idea to release.
Kept the project team in sync and oversaw how decisions were carried out.

PRAVOE POLUSHARIE INTROVERTA
LECTURE DESIGNER
2026

Visual systems for educational lectures.
Visualising complex historical, cultural and academic subjects.
Presentations and graphics for single lectures and series.
Selecting, editing and creating visual content.
Final layouts in Figma handed over to the editing team.
Short production cycles and a large volume of content.

OYU STUDIO
DESIGNER
2025–2026

Identity and visual materials for fashion and kids’ brands.
Prints, graphics, a brand book and adaptations of the visual system across media.
Collection concepts and launch visuals for products.
Image, typography and composition work.
Motion graphics and animation for digital products.
AI tools for research, ideation and visual development.

SËRP
ART DIRECTOR
2023–2024

Brand identity and visual system.
Brand guide and communication materials.
Packaging and graphics for the finished product.
Presentations and promo materials.
Kept the brand visually consistent.

FREELANCE
DESIGNER, ART DIRECTOR
2021 — NOW

Identity, graphic systems and visual concepts.
Print and digital: publications, books, presentations, advertising and promo.
Visual and competitive research.
Typography, imagery, illustration and motion.
I run projects on my own, from brief and concept to final delivery.

EDUCATION

2022–2026

HSE Art & Design School, Saint Petersburg
Bachelor of Arts, Motion Design track
