ABOUT

Communication designer working across visual research, branding, graphic and digital design. I develop visual concepts and systems — from research and idea to production across different media. I work with brands and with fashion, cultural and educational projects: visual systems, graphics, presentations, digital content. I use AI workflows for research, ideation and visual development. I also coordinate creative processes, shoots and external contractors.

EXPERIENCE

QAYAQ
CREATIVE DIRECTOR, MANAGER
2025–2026

Built the brand from scratch: concept, strategy, identity and communication.
Visual style of the brand, including a custom typeface.
Negotiated and coordinated a collaboration with OYU studio, from idea to release.

OYU STUDIO
DESIGNER
2025–2026

Identity and visual materials for fashion and kids’ brands.
Prints, graphics, a brand book and adaptations of the visual system across media.
Collection concepts and launch visuals for products.
AI tools for research, ideation and visual development.

SËRP
ART DIRECTOR
2023–2024

Brand identity and visual system.
Brand guide and communication materials.
Packaging and graphics for the finished product.
Kept the brand visually consistent.

FREELANCE
DESIGNER, ART DIRECTOR
2021 — NOW

Identity, graphic systems and visual concepts.
Visual and competitive research.
I run projects on my own, from brief and concept to final delivery.

EDUCATION

2022–2026

HSE Art & Design School, Saint Petersburg
Bachelor of Arts, Motion Design track
